THE CHINESE MAIL.

THIS paper is now issued every day.
The subscription is fixed at *four*
Dollars per annum delivered in Hong-
kong, or *five* Dollars *Forty* Cents
including postage to Coast ports.
It is the first Chinese Newspaper ever
issued under purely native direction.
The chief support of the paper is of course
derived from the native community,
amongst whom also are to be found the
guarantors and securities necessary to
place it on a business and legal footing.
The proprietors, basing their estimates
upon the most reliable information from
the various Ports in China and Japan,
from Australia, California, Singapore, Pe-
king, Saigon, and other places frequented by
the Chinese, consider themselves justified
in guaranteeing a large and ever-increasing
circulation. The advantages offered to ad-
vertisers are therefore unusually great,
and the foreign community generally will find
it to their interest to avail themselves of them.
The field open to a paper of this descrip-
tion—conducted by native efforts, but
progressive and anti-foreign in tone—is
almost limitless. It is on the one hand
commanded Chinese belief and interest,
while on the other it deserves every ad-
vice that can be given to it by foreign-
like English journals. It contains Editorials,
with Local, Shipping, and Commercial
News and Advertisements.
Subscription orders for the above may be
sent to
GEO. MURRAY BAIN,
Chinese Mail Office.
